

This winter, how about...

NO LIGHTS

NO TV

NO COMPUTER SYSTEM

NO PHONE SYSTEM

NO HEAT

NOT!

Every year, thousands of people suffer power outage from tornados, ice storms, lightning strikes and blackouts. And every year for the past 84 years, no company has installed and maintained more dependable back-up power systems than IK Electric.

Call IK for emergency back-up power for your call center, office building, factory, home and deer or duck camp at 1-800-404-FIBER (3423)
